* The value of the Messages under Foreign Traffic represents the Indian share of charge.

† The decrease is owing to the transfer of the Government Meteorological Reports from the Free List to the Paying List; the fact of there being no diminution in value of messages is traceable to Mail Steamer Reports transmitted under *precedence* signal being charged under "Urgent" tariff.

* In this return no distinction is drawn between those who work and those whom they support by their work. The whole population depending upon the occupation is included, in order to indicate the respective sustaining power of the different orders.

† Order III. is intended to refer solely to those not in the employ of the State making the return, but it is probable that in some cases the servants of the State itself have been included.

‡ Order XXIII. includes those not enumerated by occupation in certain wild tracts of Rajputána, Kashmér, and the Bombay States.

* The value of the Messages under Foreign Traffic represents the Indian share of charge.

† The decrease is owing to the transfer of the Government Meteorological Reports from the Free List to the Paying List; the fact of there being no diminution in value of messages is traceable to Mail Steamer Reports transmitted under *precedence* signal being charged under "Urgent" tariff.

* In this return no distinction is drawn between those who work and those whom they support by their work. The whole population depending upon the occupation is included, in order to indicate the respective sustaining power of the different orders.

† Order III. is intended to refer solely to those not in the employ of the State making the return, but it is probable that in some cases the servants of the State itself have been included.

‡ Order XXIII. includes those not enumerated by occupation in certain wild tracts of Rajputána, Kashmér, and the Bombay States.

* The value of the Messages under Foreign Traffic represents the Indian share of charge.

† The decrease is owing to the transfer of the Government Meteorological Reports from the Free List to the Paying List; the fact of there being no diminution in value of messages is traceable to Mail Steamer Reports transmitted under *precedence* signal being charged under "Urgent" tariff.

*a* Excluding Berar and Mysore. *b* The first census of all British India was taken in 1871. For the population figures of 1861 and 1851 an approximate figure, on the basis of the 1871 census, has been entered, to attain which deduction has been made for the population of recently acquired territory and for an annual increment to the population.

*c* Including for the years previous to 1864-5 the receipts from recently acquired territory not separately classified: after 1862-3 Forest Receipts are also included. From 1877-8 the portion of Land Revenue due to Irrigation is excluded from this head and shown under Public Works.
